

Chemists, Engineers, Technicians, and Associated Professionals:

Are you looking for a new job? Then this workshop is for you!

## Job Search/Interviewing Skills Workshop

- *Targeting the job market and networking:* Learn the right job search strategies, then build and utilize a network that will assist in your job search.
- *Basic Interviewing skills:* Find out what it takes to make a good impression and to present yourself in the best possible way.
- *Behavior-based Questions:* Learn how to come out ahead when the interviewer asks “tell me about a time when...”
- *Communication Techniques:* Improve your verbal and non-verbal responses through this workshop.
- *ResumeReview:* Bring your resume for review by an ACS career consultant.

**Saturday, April 23, 2005 from 9:00 AM until 2:00 PM**

**Loyola University LSB building Auditorium room 142\***
